ANNOUNCES GROUNDBREAKING OF  
NEW CARSON FACILITY**

Carson City, NV, October 22, 2008 — Gastroenterology Consultants, Ltd. proudly announces the groundbreaking of their new facility located on the grounds of Carson Tahoe Medical Campus. The groundbreaking at 1350 Vista Lane marks the new location of the Carson office. The ceremony will take place on Monday, October 27, 2008 at 5:15PM.

The facility is designed by HMC Architects and will be built by Shaheen-Beauchamp Builders of Carson City. The Physicians will continue to offer services essential to the Northern Nevada community when the new building opens. These services include colonoscopy, upper endoscopy, flexible sigmoidoscopy and non-invasive capsule endoscopy.

"The new office building will provide us with the space and facilities to provide comprehensive, state-of-the-art care for patients with intestinal conditions in Carson City and our surrounding communities," states Dr. John McAfee, Medical Director of the Carson Endoscopy Center.
